## Stage 00: Unboxing

Written By: Makertech 3D

## Step 1 — Unboxing

 Check that you have everything against the packing list that can be found at the bottom of this page.

-  Base Upgrade Components
-  Enclosure Panels
-  Touch Screen and Case

## Step 2 — Tools Needed

- Pliers
- Allen Keys
- Scissor
- Ruler
- Metal File
- Drill with 5mm Bit

## Step 3 — Forum and Troubleshooting

- If you get stuck at any point or need help with assembly or printing something, feel free to post in the official [forum](#).
- If you're missing a part or have received a faulty/broken one, please use this form [here](#) to order a replacement.
- Want to get in touch? Drop us an email at [info@makertech3d.com](mailto:info@makertech3d.com)
